1. Membership system

The membership system is divided into 2 status as follows.

- Head of Research center for the head of the research facility.
- Researcher for researchers.

2. Log in for Head of Research Center

Log in contains username and password, the login is linked to the university personnel database.
3. Home page for Head of Research Center

Contains as follows.

3.1. Head of Research center Head of Research Center data is presented, consisting of Full name, email, school, major and center of excellence

3.2. Summary data

3.2.1. Number of Researchers in School (persons)
3.2.2. Number of Researchers needed to have 1:1 article (persons)
3.2.3. Number of Researchers accomplished 1:1 policy (person)
3.2.4. Number of Researchers tend to accomplished 1 : 1 policy (person)
3.2.5. Predicted number of 1 : 1 policy
3.3. Plan for Article Publication: Total number of research articles by researchers within the academy Q1-Q4 by status

3.4. Results of research articles Classified by research article status: The number of research articles classified the status of research articles of researchers within the school.
3.5. Accepted research article: List all research articles in the Accepted state of the researcher. It shows the article title, author name, 1:1 count, edit button and article delete button.

3.6. Published article based on Scopus database: List all research articles in the Published state of the researcher. It shows the article title, author name, 1:1 count, edit button and article delete button.
4. Editing a research article in status Accepted/Published

4.1. Click the button (yellow button)

4.2. Edit page for research article details of Accepted status

The Accepted Status Research Article detail edit page includes:

- Title
- Author
- Authorship
- Contribution (%)
- Collaboration
- Add author button
- Status type
- Select count 1:1: Specify the author want to work on 1:1
5. List of researchers

5.1. Click the Researchers button

5.2. Click the Researchers button, the screen as shown in the figure will be displayed

Contains as follows.

5.2.1. List of researchers
5.2.2. List of major
5.2.3. The number of research articles in the Accepted state
5.2.4. Number of research articles published
5.2.5. List of work 1:1
5.2.6. Identification 1:1 button
6. Data summary chart display

6.1. Click the Charts button

6.2. Click the Charts button, the screen as shown in the figure will be displayed

6.2.1. Researcher affiliated with the School of Engineering and Technology: Displays chart and summary tables of the number of researchers within the school.

6.2.2. All research articles and research articles are published under the School of Engineering and Technology: Displays chart and summary tables for the number of research articles on Accepted and Published status.
6.2.3. Total number of research articles by status under the School of Engineering and Technology: Displays chart and summary tables on the number of research articles classified by status.

6.2.4. Total number of research articles classified by Q1 Q2 Q3 Q4: Displays chart and summary table of the number of classified research articles Q1-Q4.

6.2.5. Total number of Quartiles 1 & 2 articles with foreign contributors: Displays chart and summary tables of the number of research articles Q1-Q2 classified by foreign contributors.
7. Summary report page

7.1. Click the Report button

7.2. Click the Report button, the screen as shown in the figure will be displayed

Contains as follows.

7.2.1. Total number of instructors to do the work 1:1

7.2.2. Total number of instructors who can perform the work 1:1

7.2.3. Total number of full length research articles and review articles of the school

7.2.4. Quartile 1 - Quartile 4

7.2.5. Total number of Quartiles 1 & 2 articles with foreign contributors.

7.2.6. Number of external research funding
8. **Internal project page**

8.1. Click Internal Project button

![Internal Project](image)

8.2. Click the Internal Project button, the screen as shown in the figure will be displayed

Contains as follows.

8.2.1. Contract
8.2.2. Head of project
8.2.3. Topic
8.2.4. Detail
8.2.5. Funding
8.2.6. Project start date and project finish date
